

Kajumulo FC Financial Aid Application

Kajumulo teams will consider providing a limited number of need-based scholarships based on total household income, using the same income guidelines as the national Reduced-Price Lunch Program. These scholarships may be available to help defray a portion of the team fees. They do not cover all costs, e.g., uniform costs are not included. The equivalent of one scholarship may be available to cover costs associated with one player or, if more than one application is received, cover an allocated portion of costs. Team fundraising activities may be considered if insufficient scholarship funds are available.

Part I

In using the chart below to determine whether you may be eligible for an Kajumulo scholarship, please note that, (1) "Household Size" means all people living in your home who share income and living expenses; and

(2) "Total Annual Household Income" and "Total Monthly Household Income" are PRE-tax figures and are to include wages, social security, pension, unemployment, welfare, child support, alimony and any other cash income.

Please complete Parts II and III of this application, attach a copy of your most recent Income Tax Return (1040 or 1040EZ) and your W-2 forms, and return them to the address below. If you have any extenuating circumstances, please include a letter describing them. Please be aware that incomplete applications -- such as applications that are not supported by a copy of a Federal Income Tax return - cannot be considered. Applications and financial data are held confidential.

All applications for scholarships must be received no later than the player's Parent Meeting Night. Kajumulo has a limited amount of money available for scholarships; please return your completed and signed application and all supporting documents by the applicable deadline to your team manager in a sealed manila envelope.
